**STATEMENT OF COMPLIANCE  
ÜBEREINSTIMMUNGSERKLÄRUNG  
ATTESTATION DE CONFORMITÉ**

---

All Bronkhorst instruments are in conformity with European product directives and bear the CE marking.

All instruments are factory calibrated using highly accurate calibration devices, traceable to (inter)national standards. In this statement Bronkhorst confirms that all EL-FLOW Classic instruments meet the rated accuracy of  $\leq \pm 1\%$  F.S. (accuracy specified under calibration conditions).

Documents related to the EL-FLOW Classic are listed below, including the document numbers. These documents can be downloaded for free from the Bronkhorst website:
